

Piegaferro Bending Machines

P30 CE

P42- P52 CE

carrelli lunghi
long saddles

P55 Special

Angle control 2 velocità
Angle control 2 speed motor

EQUIPAGGIAMENTO STANDARD Standard equipment

Per piegaferro For bending machines

- 1 perno quadro
- 1 perno piega staffe
- 3 perni porta bussola
- 1 riscontro
- 1 pedaliere

Bussole in quantità e con diametri variabili,
a seconda dei modelli della macchina.

- 1 square pin
- 1 stirrup bending pin
- 3 bush holding pins
- 1 checking block
- 1 pedal

Bushes, in different quantities and diameters,
according to the machine model.
